Petition Summary Title

Petition No 0806/2016 by Justin Washtell (Bristish) concerning the need for a second referendum before the effective withdrawal of the UK from the EU

Petitioner

Justin Washtell

Creation date

27-06-2016

Number of supporters

54

Petition summary

The petitioner requests that the Union require the United Kingdom government to conduct a more rigorous consultation, consisting of a second referendum or a parliamentary vote, before any application for withdrawal from the Union is entertained. He criticises the manner in which the domestic referendum campaign was conducted and the poor participation of voters (Less than 38% of politically active citizens).
